PROJECT OMAN 2023

The Sultanate of Oman is considered as one of the fastest-growing countries in terms of infrastructure and Manufacture development. The country's five-year plan and Vision 2040 program outline the roadmap to diversifying the economy through increased government spending on key non-oil projects and stimulating private investments in various sectors.

Project Oman Exhibition and Conference will return from 23 to 25 October 2023 at Oman Convention & Exhibition Centre (OCEC Muscat) with new themes, and new features to underline investment opportunities in Oman and optimize international trade relations and business partnerships with key local market players.

As part of the development, IFP Group and Al Nimr Expo are Launching a new Platform, **The Oman Manufacturing and Supply Chain Show**, Co-located with Project Oman to expand and showcase not only the opportunities in the construction sector but even more to bring the local and international manufacturers that provides all the essentials to develop the country.
