ABOUT EHCS

The Engineering and Healthcare Show (EHCS), a premier event that unites the Engineering, Mineral, Sporting goods and Healthcare domains under a single roof, is scheduled to take place in Lahore, Pakistan from January 18–20, 2024.

Highlighting the prowess of Pakistan's Engineering, Mineral and Healthcare, this show is the largest showcase of Pakistan's engineering and healthcare products and technologies to a global audience. The significance of EHCS is further underscored by the participation of foreign buyers from around the globe. It aims to foster international collaboration and business opportunities.

Global Buyer Participation

The Engineering and Healthcare Show 2024 is set to attract buyers from across the globe, providing a unique platform for international networking and business opportunities. The event provides a dedicated Business-to-Business (B2B) meeting hub.

Showcasing Pakistan's Top Exporters

This event will proudly feature Pakistan's leading exporters in the engineering and healthcare domains. Renowned manufacturers, innovators, and companies will exhibit their products, and services, highlighting the nation's capabilities on a global stage and fostering collaborations.

What EHCS24 will offer?

Investment Conference

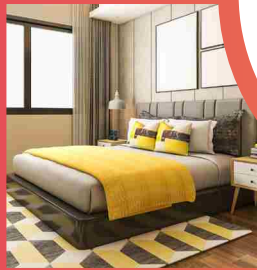

The key feature of EHCS 24 is the first ever Mineral Investment Conference. This Conference will offer the world direct interaction with industry to explore possibilities of business ventures and partnerships.

Industrial visits

The EHCS 24 will provide a complete experience for the international delegates to visit the relevant industries as per the request across Pakistan
